

FINANCING

EFFECTIVE JANUARY 1, 2010

Own, rent or lease

GPS Police Inc. sells the highest-quality German-made GPS tracking devices in the world. We load each device with our industry-leading firmware and software at our Network Operations Center in Calgary, Canada. When ordering over 500 devices, there are three options:

Purchase

Customers purchase LINKs for \$295 each. The customer owns the equipment and is automatically enrolled in our Lifetime Warranty program.

1. GPS Police will sell to the customer brand new up-to-date LINK at \$295 each (on orders over 500 units).
2. Three months of Airtime (zero, mini or pro) are payable at the time of ordering. Once the initial three months of Airtime have elapsed, Airtime is payable monthly. With purchasing, the Airtime can be Suspended or Cancelled anytime after the first 3 months. (Note: Devices cancelled from active service lose their Lifetime Warranty status, retaining only their one year warranty)

Rent

Customers rent LINK for \$195 each, per year. The customer never owns LINK but is expected to return the product after the rental period.

1. GPS Police will rent to the customer brand new, up-to-date LINKs for \$195 each, per year, paid in advance at the time of ordering.
2. Three months of Airtime (zero, mini or pro) are payable at the time of ordering. Once the initial three months of Airtime has elapsed, Airtime is payable monthly. With renting, the Airtime can be Suspended or Cancelled anytime after the first 3 months. Rental costs are separate from Airtime.

Lease

Customers lease LINK by paying only for Airtime, plus a Lease rate. The customer never owns LINK but is expected to return the product after the lease.

1. GPS Police will lease to the customer brand new up-to-date LINK at \$20 per month for 24 months with an active Airtime service (zero, mini, pro).
2. Three months of Airtime (zero, mini, or pro) are required at the time of ordering. Once the initial three months of Airtime has elapsed, Airtime is payable monthly along with the normal lease rate. With leasing, Airtime cannot be cancelled or suspended.
