

FLEET PRICING

AMERICAN DOLLARS
EFFECTIVE JANUARY 1, 2010

Have a Fleet? There's a price for that.

Equipment (one time purchase)

Discounts on equipment (LINK) are dependent on the total number of units purchased within 60 days. for example, if you buy (3) LINK's and then within 60 days, buy another (8) LINK's, you would retroactively get the discount which would be applied on the second order being placed.

Airtime (recurring purchase)

Discounts on Airtime are available when you buy blocks of Airtime which is called the **Airtime Billing Interval**. Buying (3) months of prepaid Airtime is cheaper (per month) than buying only (1) month of Airtime (per month). Buying (12) months of prepaid Airtime is the best deal. Don't buy more Airtime than you are willing to commit to because Airtime is non-refundable.
